

Friends of Wesley 2024

November 2024

Dear Friend,

The mission of Wesley Child Care Center is to provide a trusted, nurturing, secure, and developmentally enriching experience for children, serving the unique needs of families within our community.

At Wesley Child Care Center, we believe that child care is not a privilege for some, but an opportunity for all.

High quality and accessible child care is in low supply, with increasing demand. According to a comprehensive early learning study, 69% of families report difficulty paying for child care. As a result of rising costs and related multi-faceted child care complications, the national economy experiences a \$122 billion loss in lost earnings, revenue, and productivity.

Wesley Child Care Center takes child care to the next level with its team of premier educators and professionals. As a community leader in early childhood and school aged programming, Wesley seeks to be a constant for its families. Our teachers and staff believe in individualized care that appreciates and reflects the diversity of our community. Our services are crucial to families, both in steering children to bright futures, and providing parents with improved economic and vocational stability.

Last year, with your help, we were able to provide over \$100,000 in tuition assistance to families in need of our services. With your continued generosity, we anticipate increasing our tuition assistance for families experiencing financial hardship by 50%. Your donation will ensure education, enrichment, nutrition, community, and safety are available to children who need it most.

As you celebrate this holiday season, we request your collaboration in assisting children and families from our community seeking financial and vocational stability who desperately need affordable and quality child care.

Would you consider being a friend of Wesley today, so a child can be embraced into the Wesley family tomorrow?

Please complete the donation slip below and return it to Wesley in the enclosed envelope to join me in support of this year's Friends of Wesley campaign of making the Wesley Child Care experience an opportunity for all. Thank you in advance for your support.

Sincerely,

Craig Solomon, Executive Director

P.S. Please use the attached reply form and enclosed envelope to join others in providing high-quality preschool and school-age programming for the Glenview community. You can also visit www.wesleychildcarecenter.revtrack.net and select "Donations" to donate online. Thank you!

Yes, I want to help make quality preschool and school-age childcare accessible to all children in my community.
